Fostering Independence

In an effort to foster independence in our pupils and in accordance with best practice for safeguarding children, we would ask that when parents arrive after the morning bell that children are left at reception, where they will be taken to class by a member of staff, if required. This will minimise the number of unsupervised adults in our school building. Thank you.

Safeguarding Policy

Please note: The current Safeguarding Policy and guidelines can be accessed via our website. Hard copies are available from the office on request.
