Lunchboxes

We have received enquiries regarding lunchboxes. While the guidelines recommend disposable bags and cutlery, I appreciate this is proving expensive and impractical. If you wish to use a lunchbox please ensure, for your own safety, that it is sanitised thoroughly each day. The regulations regarding schoolbags and plastic bags remain the same ie they should not be brought to and from school.

RSE Policy

On Monday 21st September we will publish our draft RSE Policy in each of the home learning areas. This is to allow you to read the policy and complete the feedback sheet, should you wish to do so. It is our intention to implement this policy after the half-term break following the parental consultation period.

Seesaw

We hope everyone is enjoying using Seesaw. Any feedback so far has been very positive. If you have any difficulties regarding this please contact school

Community News

In this section we will inform you of any relevant local events. If you have anything you would like us to share please inform school as early as possible before the event.

**Please note, our community news items are advertisements only. The school has no means of endorsing these activities. All parents are advised to seek details and suitability for themselves.*
