**Re: Update on Class Closure P2 Mrs Allen**

Dear Parents/Carers from P2,

I am writing to update you regarding your child's P2 class. Unfortunately, we have been unable to secure a substitute teacher for tomorrow (Wednesday 26 January). This means that the class will remain on remote learning via seesaw for one more day.

The good news however is that we have secured subs for Thursday 27 and Friday 28 which means that the class will be **open as normal for in person learning from Thursday 27 January.**

Once again, please accept my apologies for any disruption caused. We are working very hard to keep classes open at the moment in extremely challenging circumstances. Thank you again for your understanding, patience and support.

Kind regards,

---
